### **AMENDMENTS TO THE DRAWINGS**

#### **IN THE DRAWINGS:**

Applicants acknowledge the Examiner's objection to the drawings. The Examiner asserted that the drawing of slide (10) in connection with brackets (22) showing the inner side of the bracket should be labeled as a separate figure from FIGURE 1.

Accordingly, Applicants have labeled the drawing of slide (10) in connection with brackets (22) as FIGURE 1A, which is provided on a separate sheet from FIGURE 1. Applicants respectfully request the Examiner to enter the proposed amendments to the drawings set forth in the enclosed drawings.

The attached two sheets of drawings includes FIGURES 1 and 1A to replace the original sheet including FIGURE 1. Formal drawings will be provided upon indication of allowance.
